I enclose herewith for your kind information a copy of my D O letter addressed to the District Magistrate, Bangalore, on the matter of granting licenses for the establishment of Petrol Bunks in the Bangalore Corporation Area and especially in Briand Square where there is heavy traffic

Kindly instruct the District Magistrate in this matter

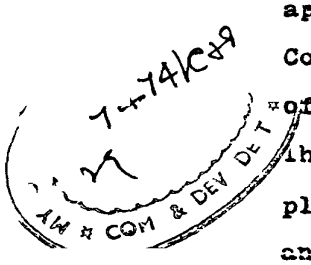
Dear Sir,

Subject:- Issuing licences for petrol bunks at Briand Square

With reference to the above subject? I have to state as follows:-

1 In my experiences of big Cities throughout the world I have not come across any single instance wherein Petrol bunks are located within a distance of One or two miles The roads in such places are six times bigger than Sri Narasimharaja Road in Bangalore City, in such road the Circles are also ten times bigger than any of the Circles in Bangalore Corporation Area

2 What is more, I have not found in busy places like Piccadally Circus or Time Square any Petrol Bunks located within one or two miles distance: but in our Country particularly in the Bangalore Corporation Area Petrol Bunk licences are issued freely in places where there is no need to cluster them in one place There appears to be no reason or rhyme for this In foreign Countires, no licenses are granted for the establishment of Petrol Bunks within one or two miles between each this not only prevents any traffic conjestion in busy places but also helps the Police in controlling traffic and preventing offences In Bangalore City, for example, there are two petrol bunks established in Briad Square which is situated in a most conjested part of the City and in the main ~~xxxx~~ Bangalore-Mysore Road, also this Square is met on either side by roads from City Railway Station to Chamarajpet via Cottonpet and Vice-versa Nowhere in big Cities of the World, the Authorities have allowed re-fuelling of motor vehicles in busy places like Old Pharagupet and Briand Square In fact, refuelling, should



should be far away from the busy roads

Under these circumstances, I request you kindly not to issue licenses for any petrol bunks to be estalished at Briand Square and especially in cases where such establishments are definitely to cause traffic conjestion and obstruction I request you also not to grant a license for the present applicant or any other applicants for the establishment of petrol bunks in the Briadd square

The receipt of my D O letter may kindly be acknowledged
